CAPABILITY STATEMENT

Metro Equipment Corp is a small, woman-and-family-owned construction company that has operated in the Boston metro area for over 35 years. We specialize in **excavation, earthwork, underground utilities, site utilities, playground rehabilitation, and site improvements.**

Our work can be seen throughout Boston and the surrounding areas from projects with the Boston Parks and Recreation Department, the Department of Conservation and Recreation, to private companies and residents. We are a trusted company that values professional workmanship, care, and attention to detail.
